チコの Chiko's St. Valentine

stバレンタインの巻

Valentine's Daa~aay!
Puu! ♡
It's the day after tomorrow!
Yeah, with Chiko-chan!
Danerina-chan, will you be making chocolate at your own place?
Danerina is the nickname of Pistachio's Fushigidane, called "Bulbasaur" in English
Yes you are!
I'm not gonna lose!
Toge?
No no Toge pi! That's naughty!
What? You want to make chocolate too?
Toge Toge!
We ell we don't know just yet
What kind are you making?
TO-GE!

Then put sticks in, and cool!♡
Good, good pour out the chocolate!
Ah, that'll work!
It's pre-made liquid chocolate mix!
Well, how's this?
Toge!
Incredible! He froze it with a "Metronome" attack!
Aww, you're eating it already?
Togeee!
chatter, chatter, chatter
chatter, chatter, chatter.
Pu.
Toge!
PRIII!
Toge
Toge!
Wah! It froze!

WHAT ARE YOU TALKING ABOUT? YOUR CHOCOLATE'S NOT EVEN EDIBLE!
ALMOND IS GOING TO EAT MY CHOCOLATE!
And Chiko likes Almond, but...
W-well
What's the matter? You seem down Chiko chan
Ch-Chiko doesn't think she can make chocolate
Ehh?!!
Th-there is that...
Chiko will lose... How can Chiko compete with two people so deeply in love like that?
sigh
Depending on their reactions you'll be able to tell if the guy you like likes you back!
Give chocolate to everyone as a sign of friendship
Ah
Well what about giri choco?*
(*giri choco: This is similar to buying cards for everyone in class. Giri means obligation and is used in other compounds such as giri no haha: mother in law.)
Chiko has waited so long for this day, but what's the point if Chiko doesn't have a chance?
I guess so—

Hirokage & Pea ★

Is Chiko going to lose to Pea? (lol)

Can she ever win?

I don't think that's giri-choco...

Well, he also gives chocolate to those inferior girls who like him too, but...

GIRI-CHOCO!

Every year, my Pistachio gives me such lovely

YOU KNOW... IT'S JUST THAT...

Giri-choco

But...

The guy Chiko likes...

Yeah! Good luck!

All right! This year Chiko will give chocolate to everybody!

So I want it to TASTE good, also!
I'm putting all my heart into this chocolate for my dear ♡ friends.
Research?
Okay Chiko's gonna do research on how to give chocolate to the guy Chiko ♡ likes!
Oh duh!
Well then let's go ask Pika-kun for help!
Pikachu went to the Crispy Forest with Pippi-kun.
